Summary

Shopify Developer with 2+ years of experience in building, customizing, and optimizing e-commerce stores. Skilled in Shopify theme development, Liquid, and Headless Shopify (Next.js). Experienced in delivering tailored e-commerce solutions that improve client performance and customer experience. Strong background in full-stack development using the MERN stack and Next.js.

Skills

Shopify Development: Store setup, customizations, product listings, theme integration (Ella theme), Liquid, Headless Shopify (Next.js), Shopify Plus, Storefront API

Web Development: HTML, CSS, JavaScript, React.js, Next.js, Node.js, Express.js, MongoDB

Tools & Other: Git, GitHub, REST APIs, Responsive Web Design

Experience

Freelance Shopify Developer (2022 – Present)

- Designed and customized Shopify stores for multiple clients, including clothing brands.
- Developed stores from scratch using premium themes (Ella) and custom Liquid code.
- Managed product listings, store configurations, and client-specific requests.
- Delivered e-commerce solutions that improved usability and increased client satisfaction.

Junior Web Developer – University Projects & Freelance Work (2023 – Present)

- Built a full-stack MERN blog website with Framer Motion animations for enhanced UI/UX.
 - Developed a custom service-based portfolio website for a professional photographer.
 - Currently building a Headless Shopify storefront using Next.js to integrate modern e-commerce solutions.
-

Education

Bachelor of Computer Science (BSCS)

University of Karachi (Expected: Dec 2025)

Projects

Fareeha by Tassels: Developed and customized a full Shopify store for a women's clothing brand — handled theme integration, product listings, and design customization.

HZ Textilex: Built a complete Shopify store for a textile brand with custom product sections, optimized navigation, and responsive design.

Polawn: Created and managed an e-commerce store with theme customization, app integrations, and performance optimization.

Headless Shopify Website: Personal project integrating Shopify with Next.js for a modern, scalable headless storefront.

Photographer's Website: Custom service-based portfolio website.

MERN Blog Website: Full-stack blog with animations and interactive UI.
